Importance: High

Dear Navarurh Kumar,

Congratulations!

You have been selected to receive a **UT Dallas Naveen Jindal School of Management New Dean's Excellence Scholarship** for **Fall 2018** semester. The scholarship committee believes that you will be an ideal candidate for the dual MS-MBA program based on your academic achievement and work experience (see link below).

<http://jindal.utdallas.edu/masters-programs/ms-mba/>

It is important that you follow all of the instructions below. Failing to do so could cause delay or cancellation of your award.

To secure your scholarship award, we ask that you agree to enroll in our dual MS-MBA program. Please be advised that:

- This is not a commitment and you are NOT obligated to start or complete the second degree (for example, MBA program).
- You start your primary MS degree first and no need to take any MBA course at all.
- You may cancel your dual degree status after the completion of two long semesters (Fall and Spring) with no penalty.
- There is no need to apply for this dual MS-MBA program. When you come to UT Dallas, we will change your program.
- Again, enrolling in the MS-MBA program will not affect your desire to ONLY complete the MS or the MBA depending upon your preference.
